## **Everhart Museum Signs on for *Smithsonian Magazine's* Museum Day 2008**

—Fourth Annual Museum Day Features Free General Admission on September 27, 2008—

**Scranton – August 26, 2008:** On Saturday, September 27, 2008, The Everhart Museum will participate in the fourth annual Museum Day, presented by *Smithsonian* magazine. Museum Day is a day when museums and cultural institutions nationwide open their doors **free of charge** to *Smithsonian* magazine readers and Smithsonian.com visitors. A celebration of culture, learning and the dissemination of knowledge, *Smithsonian's* Museum Day reflects the spirit of the magazine, and emulates the free-admission policy of the Smithsonian Institution's Washington, DC-based properties.

"We are delighted to be able to participate in Museum Day 2008 which provides a benefit to visitors of The Everhart Museum. By embracing the Smithsonian magazine program, we extend the Museum's year long efforts to reach a broader audience by offering another complimentary opportunity to experience the treasures currently housed at the Museum; already this year the Museum has hosted the U.S. Navy Band Sea Chanters concert, Community Day and Ice Cream Social, all of which were without charge to the public. During the month of August, children ages 16 and under have been admitted free of charge to the Museum as well," declared Mark DeStefano, Everhart Museum Board Chairman.

Founded in 1908, the Everhart Museum of Natural History, Science & Art is the largest general museum in Northeastern Pennsylvania. Located in Nay Aug Park in Scranton, the Everhart Museum is a not-for-profit institution dedicated to the collection, care and display of a diverse array of artifacts. The Everhart Museum encourages visitors to explore the disciplines of science, natural history, culture and art through varied exhibitions, multi-generational programming, hands-on activities and special events. Through its wide-ranging exhibits and programs, the Everhart Museum is an invaluable regional resource for educational and cultural opportunities.

Last year, upwards of 100,000 people attended Museum Day. All 50 states plus Puerto Rico were represented by 651 participating museums. Attendees must present *Smithsonian* magazine's Museum Day Admission Card to gain free entry to participating institutions. The Museum Day Admission Card will be available in the September 2008 issue of *Smithsonian* magazine and a downloadable version is available on the Museum Day website: [www.smithsonianmag.com](http://www.smithsonianmag.com). The general public is welcome to participate by going to the Smithsonian.com website and downloading the Museum Day Admission Card. Listings and links to other participating museums' and sponsors' sites can be found at [www.smithsonianmag.com](http://www.smithsonianmag.com).

The Everhart Museum is open: noon-4:00 p.m. Thursday, Friday and Monday; 10:00 a.m.-5:00 p.m. on Saturday; and noon-5:00 p.m. on Sunday.
