## iSpy: Back Yard Birds

We can find many different birds in our own back yard! Use this worksheet to describe the birds you see, then go to [www.audubon.org/birds](http://www.audubon.org/birds) to identify the birds in your back yard.

What color is the bird?

---

Does the bird have long tail feathers?

---

Is the bird on the ground or in a tree?

---

Does the bird have a long beak or a short beak?

---

Do you hear the bird? Describe the sound it makes.

---

Draw a picture of a bird you see below:
